## ONLINE STUDENT FEEDBACK SUMMARY

North Bengal St. Xavier's College conducted an online student feedback regarding Teaching-Learning and Evaluation. The feedback was mainly focussed on the online teaching methodologies adopted during the recent pandemic. Google form link was shared with the students of all the semesters via their respective HODs and the students were given a week to submit their response.

Majority of the students were in favour and satisfied with the online classes. The teaching methodologies have been rated as fun, interactive and educational. Students have really appreciated the efforts of the faculty members for providing all necessary support along with the academic related things to help students learn and continue their classes in such critical time.

Students are satisfied with the uploaded audio and video lectures and the pdf study materials provided by the faculty. Major problem faced by the student was poor network connectivity. So, they were also in favour of uploaded audio and video lectures which they can access anytime.

Students have also suggested to introduce new add-on certificate courses such as communication skill development, foreign languages, travel and tourism, digital marketing, etc in the coming years. They have also shared their thoughts to help everyone fight against the issues related to Covid-19 pandemic.
